

## **ARCHITECTURAL BARRIERS COMMISSION**

### **MINUTES**

MEETING OF JANUARY 20, 2009

2:00 pm

#### **ROLL CALL**

Present: Commissioner Prowse called the meeting to order. Commissioners Weir, Rosales and Barcelo were present.

Staff: Israel Del Toro

**APPROVAL OF MINUTES** – Approved

#### **PUBLIC PARTICIPATION**

None

#### **AGENDA ITEMS**

**1. Palm Drive Construction** – Although the plates have been removed on the Palm Dr. and Foothill Blvd., Commissioner Prowse mentioned there are still plates located on the sidewalk. Israel Del Toro will look into the matter.

**2. Sierra Madre Construction** – There is a joint project between Covina Irrigation the City of Glendora for a 30” pipeline. Work is project for completion in March.

Commissioner Prowse indicated the Commission would like to commence planning for the “Wheelchair Day” in around April/May. We will attempt to integrate this event with the visit of Azusa High School teacher Rick Graham.

#### **ACTION**

Received and noted.

Hearing no objections, the meeting was closed by Commissioner Prowse.
