AGENDA ITEMS

1. ADA Survey – City Wide Facilities – The Facilities Division will conduct a survey of the City Facilities assessing them for ADA compliance. Once survey is completed, Israel will coordinate a site visit and arrange transportation for the ABC Commissioners to visit sites and address/prioritize barriers.

2. Planning – ADA Simulation – The ABC Commissioners decided to hold the “ADA Exercise” on April 21st, 2009. The event will be worked into the regularly scheduled meeting. Jorge Rosales and Martin Quiroz were present and provided some sponsorship recommendations.

3. Palm Drive Construction – Sidewalk Plating – Azusa Land Partners (Rosedale) has plans to build a catch basin at the referenced location. The completion of the project is postponed due to funding.

4. Calera ADA Ramp Retrofit – Israel mentioned the Engineering staff has visited the site and determined that moderate design works needs to be completed prior to construction (e.g., crosswalks need to be expanded and improvement need to be made to the pedestrian signals). Design work will go underway.

ACTION

Received and noted.

Hearing no objections, the meeting was closed by Commissioner Prowse.
