AGENDA ITEMS

- 1. Sign Enforcement on Public Right-of-Way:** At the previous ABC meeting, a resident brought sign ordinance violations in the proximity of the APU Campus to the ABC Commission's attention. Staff met with APU officials and will require APU to attain an encroachment permit in the event they would like to place signs on public right of way. Furthermore, this conditional permit will require 48" of access for ADA compliance on public right of way.
- 2. FY 2010-11 Capital Improvement Projects (ADA Related):** Staff reviewed FY 2010-11 CIPs with the ABC Commission. Commissioner Rosales suggested we meet at the various project sites to discuss certain improvements. As a result, the following meeting will take place at the Library and we will visit the Library ADA Counter Retrofit and Council Dias Security Improvement project sites.

Commissioner Barcelo indicated she will be resigning from her post as Commissioner, effective immediately.

ACTION

Received and noted.

Hearing no objections, the meeting was closed by Commissioner Prowse.
