

## **ARCHITECTURAL BARRIERS COMMISSION**

MINUTES  
MEETING OF NOVEMBER 15, 2011  
2:00 pm

### **ROLL CALL**

Present: Commissioner Prowse called the meeting to order. Commissioners Weir and Heath were present.

Staff: Israel Del Toro

**APPROVAL OF MINUTES** – Approved

**PUBLIC PARTICIPATION** - None

### **AGENDA ITEMS**

#### **1. Pedestrian Traffic – APU & Cerritos Community College Campus**

Israel Del Toro advised the Commission he has been in communication with APU, which has indicated they will bring this to the attention of the Campus Safety Committee. APU has been advised, pedestrians, in particular bike and skateboard users are often not attentive or aware to the environment around them. Furthermore, at times the students are sometime reckless and not courteous of others using the sidewalk or boardwalk, often resulting in collisions.

#### **2. Architectural Barrier's Commission – Change of Advisory Scope**

The Commission was provided with a copy of the Municipal Code, indicating the current advisory scope of the Commission. The Commissioners commented they will consider how they would like to broaden the scope and discuss the matter at the following meeting.

### **ACTION**

Received and noted.

Hearing no objections, the meeting was closed by Commissioner Prowse.
