This Memorandum of Understanding is entered into with reference to the following facts:

- (1) The Azusa Police Executive Association (APEA) (hereinafter referred to as “Association”) is the recognized employee organization representing those personnel (hereinafter referred to as “employees”) employed by the City of Azusa (hereinafter referred to as “City,”) and occupying classification of:
 - (a) Police Captain
- (2) In the interest of maintaining harmonious relations between the City and those employees represented by the Association, authorized representatives of the City and the Association have met and conferred in good faith, exchanging various proposals concerning wages, hours and other terms and conditions of employment to affected employees.
- (3) The authorized representatives of the City and the Association have reached an understanding and agreement as to certain changes in wages, hours and other terms and conditions of employment of the affected employees which shall be submitted to the City Council of the City of Azusa for approval and implementation of these changes by appropriate ordinance, resolution, or other lawful action.

Therefore, the City and the Association agree that, subject to the approval and implementation by the City Council of the City, the wages, hours, and other terms and conditions of employment for all affected employees shall be as follows:

The term of this Memorandum of Understanding shall commence on January 1, 2021, and shall continue through December 31, 2024.

2. TOTAL COMPENSATION

As a matter of philosophy, the Association and the City agree that compensation consists of terms and conditions of employment other than those represented solely by salary. Further, the City and the Association recognize that the changes in wages, hours and other terms and

3. NON-DISCRIMINATION

3.1 Protection of Rights

3.2 Anti-Discrimination

3.2.1 The City and the Association agree that they shall not discriminate against any employee because of race, color, sex, age, national origin, political or religious opinions or affiliations. The City and the Association shall reopen any provisions of this Agreement for the purpose of complying with any final order of the federal or state agency or court of competent jurisdiction requiring a modification or change in any provision or provisions of this Agreement in compliance with state or federal anti- discrimination laws.

4. SEPARABILITY

4.1 Should any provisions of this Memorandum of Understanding be found to be inoperative, void, or invalid by a court of competent jurisdiction, all other provisions of this Memorandum of Understanding shall remain in full force and effect for the duration of this Memorandum of Understanding.

5. MAINTENANCE OF EXISTING BENEFITS

5.1 Except as provided herein, all wages, hours and economic terms and conditions of employment presently enjoyed by employees shall remain in full force and effect during the entire term of this Memorandum of Understanding unless mutually agreed to the contrary by both parties hereto.

10.1.2 An Employee Leave Request must be approved by the appropriate department head prior to the use of Administrative Leave and such leave may not be carried over into the next fiscal year or cashed in if not used. Unused Administrative Leave may, however, be converted to Vacation Leave. Administrative Leave shall be granted with due regard for the employee's wishes and the operational needs of the department. It is the responsibility of the employee to request conversion.

10.2 Personal Leave

10.2.1 Thirty (30) hours Personal Leave may be taken by employee. Personal Leave is to be distinguished from Personal Business Leave in that it does not have particular requirements for its use and is not deducted from the employee's approved Sick Leave balance. An Employee Leave Request must be approved by the appropriate department head prior to the use of Personal Leave and such leave may not be carried over into the next fiscal year or cashed in if it is not used. Personal Leave shall be granted with due regard for the employee's wishes and the operational needs of the department. This Personal Leave is also to be considered similar to Vacation Leave in that an open shift can be filled with overtime coverage.

10.3 Bereavement Leave

10.3.1 An employee may be permitted to take up to forty (40) hours *Bereavement Leave* in the event of the death of a member of his/her immediate family. "Immediate family" member is herewith defined as a mother; father, brother, sister, spouse, child, mother-in-law, father-in-law, grandparents or relative living within the employee's household. Persons in loco parentis

may also be considered under certain circumstances. Such leave shall not be charged against the employee's *Sick Leave* or vacation.

10.3.2 Bereavement Leave for close personal relationships other than listed relationships may be approved by Department Head and Director of Human Resources.

10.3.3 In addition to *Bereavement Leave*, an employee may request up to twenty (20) hours of *Sick Leave* in the event of the death of an immediate family member. *Such Leave* shall be charged against the employee's *Sick Leave* balance and shall be considered in calculating his or her ability to convert the balance.

10.4 Holidays

10.4.1 Designated Holidays

10.4.1.1 The employee shall receive time off with pay for the following holidays but only if the employee is paid for the workday that precedes or follows the holiday. If a holiday falls on an employee's scheduled day off, the employee shall receive the holiday on the next scheduled business day.

10.4.2 Floating Holidays

10.4.2.1 The City and the Association agree to three Floating Holidays of ten (10) hours each. All Floating Holidays shall be requested in advance from the appropriate department head or division chief. Enough employees shall remain at work during floating holidays so that the City's business may be conducted.

10.4.2.2 Floating Holidays shall accrue on July 1 and must be taken by the following June 30, or the hours will be forfeited. It is the responsibility of the employee to make use of his or her holidays on a timely basis.

10.5 Industrial Leave (Worker's Compensation)

10.5.1 A regular employee who is temporarily or permanently incapacitated as a result of injury or illness determined to be compensable under the Workers' Compensation Act shall be granted benefits in accordance with this Act.

10.6 Sick Leave

10.6.1 Sick Leave shall not be construed as a right, which an employee may use at his or her discretion, but shall be allowed only in case of necessity or actual sickness or disability.

10.6.2 The Finance Department will analyze and report to the employees the amount of Sick Leave earned, less the amount used, and the net accrued during the calendar year.

10.6.2.1 Sick Leave During Probation

10.6.2.1.1 Sick Leave may be taken during the probationary period but only in such amount as the employee would have earned if on permanent status. If the employee does not become permanent, all paid Sick Leave must be reimbursed to the City at the time of employment or it shall be deducted from the employee's final paycheck.

10.6.3 Reasons for Use of Sick Leave

10.6.3.1 Sick Leave shall be granted for the following reasons:

10.6.3.2 Personal illness or physical incapacity.

APEA MEMORANDUM OF UNDERSTANDING, JANUARY 1, 2021 THROUGH DECEMBER 31, 2024

- 10.6.3.3 Up to 12 days per year for the illness of a member of the employee's immediate family (father, mother, sister or brother), or members of the employee's household (husband, wife, and children) that require the employees' personal care and attention. Additional time, up to 12 weeks (running concurrently with family medical leave), could be approved by the department head when treatment for an illness, injury or condition which may be expected to be of long duration, has no reasonably predictable date of termination and requires continuous or intermittent care by the employee.
- 10.6.3.4 Enforced quarantine of the employee in accordance with Health Department regulations.
- 10.6.3.5 Medical, dental, and optical appointments.
- 10.6.3.6 Personal Business not to exceed forty (40) hours during any one (1) year. "Personal business" means those items of personal business that can only be taken care of during regular working hours of the employee. Personal Business Leave shall be approved or disapproved by the department head in accordance with this section. Departments are to use the earning code PB for this purpose. Personal Business Leave shall be debited against the employee's Sick Leave balance but Sick Leave taken as Personal Business Leave shall not be taken into consideration for the purposes of the Sick Leave Cash-In program or with regard to employee performance evaluations.
- 10.6.3.7 In the foregoing circumstances, Sick Leave must be exhausted before Compensatory Time off or Vacation Leave may be converted to Sick Leave.

10.6.4 Accrual and Use

- 10.6.4.1 *For members who joined APEA prior to January 1, 2021 (founding Captains), Sick Leave with pay shall accrue to employees at the rate of ten hours per month for each calendar month of paid employment, with unlimited accumulation. Sick Leave shall not be taken in units of less than one-half hour.*

10.6.4.2 For employees who join APEA after January 1, 2021, sick leave with pay shall accrue at the rate of ten hours per month for each calendar month of paid employment. No more than 960 hours of sick leave may be accrued. Sick leave will cease to accrue when an employee's accrued sick leave balance reaches 960 hours. Sick leave accrual will resume when an employee's accrued sick leave balance drops below 960 hours.

10.6.4.2.1 For members who exceed the 960 hours upon joining APEA, after the ratification of this MOU, their excess hours shall freeze at their current level and the excess shall be paid out as a 25% wellness bonus.

Special Pay Plan 401 (A) and 457 drawdown requirements will also apply in accordance to Articles 10.6.9 and 10.6.10.

10.6.5 Sick Leave Donation Policy

10.6.5.1 Employees shall be eligible for sick leave donation from co-workers in accordance with the City's policy.

10.6.6 Sick Leave During Vacation

10.6.6.1 If an employee becomes ill or injured while on vacation, he or she may, by completing a Leave Request Form, use accrued Sick Leave time in lieu of Vacation Time for the period of disability.

10.6.7 One-Fourth Conversion

10.6.7.1 If the employee has used more than three, but not more than six days of *Sick Leave*, excluding time spent on *Personal Business* or *Bereavement*, he or she would have the following options:

10.6.7.2 Carry over the accrual and add it to his or her Sick Leave balance.

10.6.7.3 Convert, only to the extent that his/her balance is more than zero at the beginning of the new year, one-fourth of the accrual to *Vacation* or convert one-fourth to cash (but no combination of these two); unused, unconverted leave would then be added to the employee's *Sick Leave* balance.

10.6.8 One-Third Conversion

- 10.6.8.1 If the employee has used no more than three days of *Sick Leave*, excluding time spent on *Personal Business* or *Bereavement*, he or she would have the following options:
- 10.6.8.2 Carry over the accrual and add it to his or her Sick Leave balance.
- 10.6.8.3 Convert, only to the extent that his/her balance is more than zero at the beginning of the new year, one-third of the accrual to vacation or convert one-third of it to cash (but no combination of these two); unused or unconverted leave would then be added to the employee's *Sick Leave* balance.

10.6.9 Mandatory Conversion Prior to Retirement

- 10.6.9.1 Members of the APEA, *with a minimum of 25 years of service with the City of Azusa and 1,040 hours of accrued sick leave*, shall "Draw Down" (reduce by conversion to either first, 401(a) "Special Pay Plan" or second, deferred compensation) accrued sick leave beginning in the calendar year in which they are five (5) years from their "normal" retirement age, as defined in section 10.6.9.4, and continuing until separation from the City.
- 10.6.9.2 Employees shall "draw down" the maximum amount (of hours) possible on a tax deferred basis (based on then applicable law) each year until the balance (of accrued hours) reaches 1,040 hours.

APEA members who have reached "normal" retirement age, as defined in Section 10.6.9.4, with 25 years of service with the City of Azusa may continue to "Draw Down" the maximum amount (of hours) possible on a tax deferred basis (based on then applicable law) below the 1,040 hour balance of sick leave if the Member requests to do so via a memo to the City's payroll division by December 31 of the preceding January draw down. Each January thereafter, the City's payroll division will automatically draw down sick leave hours to a balance of 1,040 and contribute to either first, the 401(a) "Special Pay Plan" or second, deferred compensation for all APEA members that meet the above eligibility requirements up to the amount established by applicable laws.

10.6.9.3 The conversion shall be as follows:

10.6.9.3.1 In November of each preceding draw down year the City's Payroll Division shall determine for each APEA employee the number of hours of sick leave accrued in excess of 1,040 hours and the applicable legal maximum dollar amount that may be contributed into the employees' 401(a) "Special Pay Plan" and deferred compensation plan. The resulting amounts shall be provided to each employee and hours will be draw down in accordance with Section 10.6.10.2.

10.6.9.3.2 All funds placed into a qualified tax deferred account shall be managed by the employee and not the responsibility of the City of Azusa.

10.6.9.3.3 This sick leave draw down does not terminate or forfeit the APEA member's benefit of such leave accrual up to the time of retirement. The provision is not a cap of sick leave accrual. Also, members will retain the option to use accrued sick leave to purchase PERS Service Credit rather than participate in the "draw down" program, subject to the following:

a) At the time the City's Payroll Division notifies an APEA member of their eligibility to participate in the "Draw Down" program, the employee must notify via a Memo the Human Resources Department and Payroll Division by December 31 of the preceding draw down year of their selection to either participate in (1) the "draw down" program or (2) a "PERS Service Credit" program. Once selected the member cannot change programs. If the employee fails to make a selection, the Payroll Division will draw down hours in accordance with Section 10.6.9.2.

10.6.9.4 Members of the APEA will participate in the Employer Sponsored 401(a) "Special Pay Plan" and are subject to the terms of the Special Pay Plan when they have reached 25 years of service with the City of Azusa and in the calendar year in which they are five (5) years from their "normal"

APEA MEMORANDUM OF UNDERSTANDING, JANUARY 1, 2021 THROUGH DECEMBER 31, 2024
retirement age based on their respective CalPERS Public Safety Pension Formula as follows:

1. Age 45 for those APEA Members who are employed under the 3% @ 50 Public Safety Pension.
2. Age 50 for those APEA Members who are employed under the 3% @ 55 Public Safety Pension.
3. Age 52 for those APEA Members who are employed under the 2.7% @ 57 Public Safety Pension.

For example, a member who reaches 25 years of service with the City in November 2019 and turns age 45 in March 2020 will be eligible for their first draw down in January 2020 when the payroll division processes mandatory drawdowns of sick leave hours to the balance of 1,040.

Pursuant to APEA MOU section 10.7.1.1.3, at no time will an APEA Member be required to forgo being paid as earned (cashed out) each pay period on their Vacation Time overage until their separation from service with the City of Azusa.

Once the Member participates in the Special Pay Plan as a "Participant in the Plan" pursuant to the above listed requirements, the member must "draw down" their leave banks in the following order:

1. Sick Leave
2. Comp Time Leave (if sick leave draw down is below the IRS 401(a) "Special Pay Plan" annual maximum contribution for the calendar year)
3. Vacation Leave (upon separation from service with the City)

When eligible APEA Members become Participants in the Plan, participants must convert accumulated unused vacation leave bank hours into the Special Pay Plan upon separation from service.

Upon separation from service, Participants in the Plan will be subject to a mandatory employer contribution of 100% of employees' remaining unused accumulated sick, vacation, or comp time leave hours into the Special Pay Plan up to the IRS 401(a) "Special Pay Plan" annual maximum contribution for the calendar year.

APEA MEMORANDUM OF UNDERSTANDING, JANUARY 1, 2021 THROUGH DECEMBER 31, 2024

If the dollar values of the combined cashable leave bank balances exceeds the IRS 401(a) "Special Pay Plan" annual maximum contribution for the calendar year in which they retire, the remaining leave bank hours will be paid to the employee in cash.

Special Pay 401(a) contributions are not subject to FICA or Medicare taxes, and the plan has been established so that no Constructive receipt will apply to the 401 (a) plan or participants in the plan.

The City of Azusa will cover the administrative cost of the Plan for each participant while employed with the City and upon separation from service, the entire administrative cost will be borne by the retiree.

10.6.10 Mandatory Conversion Upon Retirement
