**MEMORANDUM OF UNDERSTANDING
BETWEEN
THE CITY OF AZUSA
AND THE
SERVICE EMPLOYEES INTERNATIONAL UNION – LOCAL 721
JULY 1, 2020 THROUGH JUNE 30, 2024**

This Memorandum of Understanding (hereinafter referred to as “MOU”) is entered into with reference to the following facts:

- (1) The Service Employees International Union – Local 721 (hereinafter referred to as “Union”) is the recognized employee organization representing those personnel (hereinafter referred to as “employees”) employed by the various departments of the City of Azusa (hereinafter referred to as “City”), and occupying the classifications as listed in Exhibit “A,” attached hereto;
- (2) In the interest of maintaining harmonious relations between the City and those employees represented by the Union, authorized representatives of the City and the Union have met and conferred in good faith, exchanging various proposals concerning wages, hours and other terms and conditions of employment to affected employees; and
- (3) The authorized representatives of the City and the Union have reached an understanding and agreement as to certain changes in wages, hours and other terms and conditions of employment of the affected employees which shall be submitted to the City Council of the City for approval and implementation of these changes by appropriate ordinance, resolution, or other lawful action.
- (4) It is understood that this MOU shall constitute a bar to any petition or request for recognition of any classification(s) of employees covered by this MOU.

Therefore, the City and the Union agree that, subject to approval and implementation by the City Council of the City, the wages, hours and other terms and conditions of employment for all affected employees shall be altered as follows:

1. TERM OF MEMORANDUM OF UNDERSTANDING

The term of this MOU shall commence July 1, 2020 and shall continue in full force and effect until June 30, 2024.

All provisions of this MOU, except to the extent as allowed by the re-openers expressed in this MOU shall remain in full force and effect until a new successor MOU has been agreed upon between the parties.

2. IMPLEMENTATION

This MOU is subject to approval of the City Council of the City of Azusa, and following such approval shall be implemented by appropriate resolution(s) or ordinance(s) of the City Council.

3. SAVINGS CLAUSE

Should any State or Federal law mandate the loss of revenue to the City as a result of the implementation of any clause of this MOU, or should any clause or provision of this MOU be found to be inoperative, void, or invalid by law or a court of competent jurisdiction then those changes alone shall not be given effect. In the event of such invalidation, the City and the Union agree to meet within thirty (30) days from said invalidation and confer in good faith to determine an alternative and economically equitable as applicable, clause or provision.

4. TOTAL COMPENSATION

As a matter of philosophy, the Union and the City recognize that compensation consists of terms and conditions of employment, other than those represented solely by salary. Further, the City and the Union recognize that the changes in wages, hours and other terms and conditions of employment as set forth in this MOU constitute additions to the total compensation received by affected employees.

5. EMPLOYEE RIGHTS

5.1 Protection of Rights

The parties mutually recognize and agree to protect the rights of all employees hereby to join and/or participate in protected union activities, or to refrain from joining or participating in protected activities in accordance with Government Code §3500, et seq.

5.2 Anti-Discrimination

The City and the Union agree they shall not discriminate against any employee because of race, color, sex, sexual orientation, gender identity or expression, religious or political affiliation, creed, citizenship status, military or veteran service status, marital status, pregnancy, age (over 40), national origin, ancestry, medical condition, physical or mental disability, or any other basis protected by federal, state or local laws. The City and the Union shall reopen any provisions of this Agreement for the purpose of complying with any final order of the federal or state agency or court of competent jurisdiction requiring a modification or change in any provision

or provisions of this Agreement in compliance with state or federal anti-discrimination laws.

6. UNION RIGHTS

6.1 Payroll Deductions

Each pay period, the Union shall provide the employer with an “authorized deduction report” which includes bargaining unit members who have authorized the deduction of Union dues, COPE and other deductions and the deduction amounts.

To extent the funds are available and such deductions are allowed by law, the City shall deduct on a regular basis from the pay of all employees in the classifications and positions recognized to be represented by the Union, funds for membership dues and/or political contributions.

6.1.1 Indemnification

The Union agrees to hold the City harmless and indemnify the City against claims, causes of action or lawsuits arising out of the deductions or transmittal of such funds to the Union, except for the intentional failure of the City to transmit to the Union monies deducted from the employees pursuant to this Article.

6.1.2 Remittance of Funds

The City shall electronically remit such funds to the Union within ten (10) business days following their deduction. To the extent on file with Human Resources and/or Payroll Staff, the remittance shall be accompanied by an electronic list of all current employees in the unit, which indicates the effective date(s) of the remittance, each employee’s name, employee identification number, hire date, job classification, employment status (ex.: active, on leave of absence, etc.), work status (ex: full-time, part-time, hourly, seasonal, etc.), home address, home telephone number (if applicable), personal e-mail (if applicable), work address, work phone, work e-mail, hourly rate of pay, total hours worked in the pay period, and the amount(s) being remitted on behalf of each employee.

As applicable, the Union shall notify the City of any change(s) in the amount(s) of such deductions within thirty (30) days of the employee’s written request to the Union.

6.1.2.1 Membership Dues

The City shall deduct union membership dues, in an amount as determined by the Union, from every paycheck of each employee who voluntarily authorizes such deductions in writing, on a form to be provided for this purpose.

6.1.2.2 Committee on Political Education (COPE)

The City shall deduct amount(s), if any, as determined by the employee, from every paycheck of each employee who voluntarily authorized such deduction(s) in writing, on a form to be provided for this purpose.

6.2 Reporting Requirements

The City shall notify SEIU, in writing, of all employees represented under this MOU, who are hired, promoted, demoted, transferred, reclassified, retired, separated from service, receive a salary/step merit increase, or any other change in employment status with the City.

The City shall provide the following information for each employee within ten (10) business days of hire or change in employment status and in the first week of January, April, July and October of each year:

- Full name
- Employee identification number
- Job classification
- Date of hire
- Effective date of change
- Home address
- Home mailing address (if different)
- Home phone number
- Personal cell phone number (if known)
- Personal e-mail address on file (if any)

- Work location (name of facility and department)
- Work address
- Work phone numbers (landline and cell, as applicable)
- Salary anniversary date, as applicable
- Salary range
- Current salary step
- Current rate of pay

The City agrees to provide such information to the Union in a usable electronic format (preferably Excel).

6.3 Visits by Union Representatives

Representatives from the Union will be granted reasonable access to City facilities and employees in the bargaining unit for the purpose of investigating grievances and to conduct official union business. The visits shall not interfere with the normal operations of the City.

6.4 Use of City Facilities and Equipment

The City agrees to permit the reasonable and limited use of City facilities and equipment by Union representatives for conducting official union business. The use of City facilities must be scheduled in advance by contacting the Director of Administrative Services, appropriate Department Head, or designee. The date, time, location, and intervals of such meetings shall be mutually agreed upon by the parties.

6.5 Communication Access

6.6.1 Bulletin Boards

The City will provide bulletin boards to post notices regarding union business only. These bulletin boards will be maintained by the Union in an orderly manner. All material posted must be dated and contain the initials of a union representative.

6.6.2 Electronic Messages

Union representatives will be allowed reasonable use of the City's e-mail system to communicate with unit employees regarding union business.

6.6 Union Steward Program

The Union may elect or appoint up to two (2) stewards in the City. Stewards are recognized as representatives of SEIU in the City with the power to bind SEIU in all matters pertaining to this MOU. The Union agrees to notify the City in writing of the names of its stewards and the effective dates of their election or appointment.

There shall be no union activity on City time or premises, except as provided for in this MOU or by applicable law(s). A steward is permitted paid release time during regularly scheduled working hours, without any loss of compensation or benefits, to represent SEIU in grievances, administrative interviews, *Skelly* conferences, arbitration, hearings or conferences required by the Public Employee Relations Board (PERB), court, or depositions necessary and consistent with the representational rights granted by the *Meyers-Milias-Brown* Act (MMBA), as would legally require such pay. Upon request, Stewards shall also be permitted a reasonable amount of preparation time pursuant to this provision. A steward will not absent themselves from work without first obtaining the permission of their supervisor. To obtain permission, the steward shall identify: a) the specific reason for requesting permission, b) the employee(s) to be represented, and c) the general issue involved. The employee shall wait to receive permission before leaving work. The Union agrees City services should not be negatively affected by any steward activity permitted by this provision. Subject to the foregoing, the City agrees to not unreasonably withhold permission.

Stewards shall not be entitled to make any claim for compensation for time spent on steward business during the steward's non-regular working hours.

6.7 Union Release Time

Chapter Board Members and Stewards will each be allowed a paid leave of absence, for up to one (1) shift per month, for Union Release Time to attend meetings and/or training. Such Union Release Time may accrue for up to a maximum of eighty (80) hours each calendar year. There shall be no more than two (2) unit employees on a paid leave of absence for Union Release Time at any given time. SEIU agrees City services should not be negatively affected by the use of Union Release Time and the use of such time is subject to prior written approval by the employee's supervisor. Subject to the foregoing, the City agrees to not unreasonably withhold permission.

In addition, an employee elected, or appointed, as an Executive Board Member shall be allowed a paid leave of absence for one (1) shift per month for the purpose of traveling to, and attending, the monthly Executive Board meetings.

An employee on Union Release Time will remain on the City's payroll and continue to be eligible for all compensation, benefits, and accruals in the same manner as if they were actively working. The City will continue to pay for the employee's compensation and for benefits provided to the employee during hours reported as Union Release Time.

6.8 Contract Negotiations

The City shall release no more than two (2) primary unit employees, and up to two (2) alternate unit employees who will be released only in the event the primaries are unavailable, to participate in collective bargaining with the City. The employee(s) shall be permitted to attend bargaining sessions and any required caucus time during regularly scheduled work hours. Such unit employee(s) attending a scheduled bargaining session or caucus time shall continue to be eligible for all compensation, benefits, and accruals in the same manner as if they were actively working on that date. There shall be no overtime compensation for meetings which are held outside of regularly scheduled work hours.

6.9 New Employee Orientations

The City shall provide the Union with at least ten (10) business days' advance written notice of each new employee orientation (NEO), regardless of the number of participants and/or manner in which the NEO occurs (i.e. in person, online, or otherwise). Shorter notice may be provided in a specific instance where there is an urgent need that is critical to city operations that was not reasonably foreseeable. If the NEO is to occur over more than one (1) full business day, then the notice shall be provided at least ten (10) business days in advance of the first day of the NEO.

Union representatives shall be permitted to make a presentation, of up to one (1) hour, during a portion of the NEO. The Union's presentation may include written, audio, and/or visual materials; however, the Union shall be solely responsible for providing any such materials as well as any necessary technical equipment that is not already available as part of the City's NEO. No management representative shall be present during the Union's presentation. The City shall provide paid release time for the new hires and stewards to participate in the NEO.

Attendance at an NEO shall be mandatory for each new hire. For the purpose of this section, new hires shall be defined to include any employee new to SEIU Local 721,

including but not limited to employees entering the unit through accretion or promotion/demotion.

The Union shall provide the following for the City to include in their new hire packet to be distributed at the NEO:

- Applications for union membership and COPE
- Copy of the current MOU
- Contact information of the designated union representative(s)

Violations of this side letter are subject to the grievance procedure, as outlined in Article 15 of the City's Rules of the Civil Service System.

7. CITY RIGHTS

7.1 Management Rights

The City reserves, retains and is vested with, solely and exclusively, all rights of Management which have not been expressly abridged by specific provision(s) of this MOU or by law to manage the City, as such rights existed prior to the execution of this MOU. The sole and exclusive rights of Management, as they are not abridged by this MOU or by law, shall include, but not be limited to, the following:

- 7.1.1 To manage the City generally and to determine the issues of policy.
- 7.1.2 To determine the existence or nonexistence of facts which are the basis of the Management decision.
- 7.1.3 To determine the necessity and organization of any service or activity conducted by the City and expand or diminish services.
- 7.1.4 To determine the nature, manner, means and technology, and extent of services to be provided to the public.
- 7.1.5 To determine methods of financing.
- 7.1.6 To determine types of equipment or technology to be used.
- 7.1.7 To determine and/or change the facilities, methods, technology, means, and size of the work force by which the City operations are to be conducted.

- 7.1.8 To determine and change the number of locations, relocations, and types of operations, processes and materials to be used in carrying out all City functions including, but not limited to, the right to contract for or subcontract any work or operations of the City; provided, however:
 - 7.1.8.1 City will bargain about effects of any decision to contract out work historically performed by unit members.
 - 7.1.8.2 Except in the case of a bona fide emergency, City will provide a minimum ninety (90) calendar day advance notice on any proposed contracting out of work historically performed by unit members and will commence meeting and conferring over the effects within ten (10) business days, excluding holidays, of said notice.
 - 7.1.8.3 If a proposed contractor pays less than the economic value of City employee's wages and economic benefits, the City will notify the Union and, at a time when such discussions would be meaningful, informally discuss alternatives to contracting out with the Union. The parties agree to conduct discussions in good faith, but acknowledge that this is not bargaining (meet and confer).
- 7.1.9 To assign work to and schedule employees in accordance with requirements as determined by the City and to establish and change work schedules and assignments.
- 7.1.10 To relieve employees from duties for lack of funds or lack of work or similar non-disciplinary reasons.
- 7.1.11 To establish and modify productivity and performance programs and standards.
- 7.1.12 To discharge, suspend, demote or otherwise discipline employees for proper cause.
- 7.1.13 To determine job classification and to reclassify employees.
- 7.1.14 To hire, transfer, promote or demote employees for non-disciplinary reasons in accordance with this MOU and applicable Resolutions and Codes of the City.

- 7.1.15 To determine policies, procedures and standards for selection, training and promotion of employees.
- 7.1.16 To establish employee performance standards including, but not limited to, quality and quantity standards and to require compliance therewith.
- 7.1.17 To maintain order and efficiency in its facilities and operation.
- 7.1.18 To establish and promulgate and/or modify rules and regulations to maintain order and safety in the City which are not in contravention with this Agreement.
- 7.1.19 To take any and all necessary action to carry out the mission of the City in emergencies.

7.2 Conformance with Rules

The City shall have the right to exercise the rights provided in Sections 7.1.9 through 7.1.16 of the Management rights clause, in accordance with the Personnel Rules and Regulations as they exist as of May 16, 1988, and shall exercise these rights in conformance with the Personnel Rules and Regulations.

7.3 Meet and Confer

Except in emergencies, or where the City is required to make changes in its operations because of the requirements of law, whenever the exercise of Management's rights shall impact on employees of the bargaining unit, the City agrees to meet and confer with representatives of the Union regarding the impact of the exercise of such rights, unless that matter of the exercise of such rights is provided for in this MOU, or in Personnel Rules and Salary Resolutions and Administrative Code(s) which are incorporated in this Agreement. By agreeing to meet and confer with the Union as to the impact and the exercise of any of the foregoing City Rights, Management's discretion in the exercise of these rights shall not be diminished.

8. SEPARABILITY

Should any provisions of this MOU be found to be inoperative, void, or invalid by a court of competent jurisdiction, all other provisions of this MOU shall remain in full force and effect for the duration of this MOU.

9. MAINTENANCE OF EXISTING BENEFITS

Except as provided herein, all wages, hours and economic terms and conditions of employment presently enjoyed by employees shall remain in full force and effect during the entire term of this MOU, unless mutually agreed to the contrary by both parties hereto.

10. WORKWEEK AND TIMEKEEPING INTERVAL

10.1 Workweek

The regular workweek for all employees covered by this MOU shall be forty (40) hours for a seven (7) day period beginning at 12:01 A.M. each Sunday and shall consist of four (4) consecutive days a week and ten (10) hours per day.

Within certain departments there exists a compelling need for certain employees to work a five (5) day forty (40) hour week. Upon a clear showing of need and with the affected employees consent, the department head may schedule employees accordingly.

Daily hours of work or shifts for employees within departments shall be assigned by the department head, as required to meet the needs of the department.

10.1.1 Notwithstanding Section 10.1, the City may maintain a five (5), eight (8) hour days per week schedule for employees currently assigned to such a schedule. Further, the City may assign a five (5), eight (8) hour per week schedule to employees preferring to work such a schedule.

10.2 Workday

Except as provided in Section 10.1.1, the workday will consist of ten and one half (10½) hours, with break periods, to be scheduled in light of the departmental policy, as follows:

One (1) forty (40) minute meal break

Two (2) fifteen (15) minute rest breaks

Two (2) fifteen (15) minute “wash-up” times may be taken, as needed, prior to starting the meal period and at end of shift

The City reserves the right to determine the beginning and ending times of the workday.

10.3 Timekeeping Interval

In compliance with the Fair Labor Standards Act (FLSA), the minimum timekeeping interval shall be fifteen (15) minutes. Periods of time of seven (7) minutes or less shall be rounded down, and periods of time of eight (8) minutes or more shall be rounded up.

11. SALARY

11.1 Salary Increases

Effective July 1, 2020 each employee covered by this MOU as of July 1, 2020, will receive a one-time lump sum stipend of \$500.00. This one-time lump sum stipend will cover July 1, 2020 through June 30, 2021 of this contract.

Effective July 1, 2021, the base salary range of each classification in the bargaining unit shall be increased by four percent (4%).

Effective July 1, 2022 the base salary range of each classification in the bargaining unit shall be increased by three percent (3%).

Effective July 1, 2023 the base salary range of each classification in the bargaining unit shall be increased by three percent (3%).

11.2 Automatic Payroll Deposit

The City will continue to offer Automatic Payroll Deposit in cooperation with any bank that utilizes the Automated Clearing House service.

12. ADDITIONAL COMPENSATION AND PREMIUM PAY

12.1 Working Out of Classification

12.1.1 Acting Pay

An employee who is requested by a supervisor or management to temporarily act in the place of another employee, by assuming the responsibilities and/or performing the duties of a position in a higher class, shall receive additional compensation of five percent (5%) of their base pay for the hours in which they are in an acting capacity, including hours compensated at premium rates.

The minimum number of hours that must be worked for Acting Pay to be applicable (from the first hour) shall be ten and a quarter (10.25) hours.

The maximum number of hours for which Acting Pay shall be applicable shall be thirty-nine and three-quarters (39.75) hours.

If an employee is called upon to act in the higher capacity for forty (40) hours or more, the provisions of Section 12.1.2 shall apply.

12.1.2 Pay Range

An employee who works more than thirty-nine and three-quarters (39.75) consecutive working hours out of classification shall receive an upgrade equal to the lowest step of the pay range for the higher class which provides at least a five percent (5%) increase (or a five percent (5%) if the top step for the pay range does not provide at least a five percent (5%) increase), commencing the first hour of working out of classification and for each consecutive hour thereafter. Working in a higher classification must be approved by the department head in advance.

12.1.3 Restriction

An employee shall not continue acting in a higher classification, while retaining their existing classification, for more than ninety (90) calendar days in any fiscal year.

12.1.4 Absence

An employee otherwise eligible for acting pay shall not be eligible during scheduled periods of Vacation Leave or when on Sick Leave.

12.2 Bilingual Pay

The City shall pay one hundred dollars (\$100.00) per month to each employee who demonstrates verbal proficiency in a foreign language.

An additional payment of one hundred dollars (\$100.00) per month shall be paid to those employees who are proficient in writing the foreign language, if they are assigned and required to translate the foreign language in writing during the performance of their duties.

Such payment is conditional upon demonstration of proficiency by a qualified third-party examiner mutually agreed upon by both the City and the Union. Employees may apply for bilingual pay at any time; however, examinations shall be conducted semi-annually.

12.3 Callback

If an employee is required to be called back to work after completing their normal shift or after having left City premises or the employee's work location, the employee shall be compensated at the appropriate rate for each hour worked on that callback with a minimum of three (3) hours callback compensation at the appropriate rate, regardless of whether the employee actually works less than three (3) hours. While working on the initial callback assignment, should an employee receive an additional assignment, he/she shall receive a minimum of one (1) additional hour per additional assignment. For example, if an employee is out on their first callback assignment, and they receive another assignment prior to completing the initial callback assignment, he/she is eligible for a minimum of four hours of callback compensation (3 hours for the original callback assignment plus 1 hour for the additional callback assignment). Should they receive another assignment while working on the additional assignment, they would receive another minimum of one (1) additional hour.

This provision shall be applicable to an employee even though the employee's regular work week is not complete, but shall not apply to an employee who is continuing on duty for their normal work shift.

For the purposes of this section only, the time starts when the request for callback is received by the employee and ends when the purpose of the callback is finished.

12.3.1 Appropriate Rate of Pay for Callback

Callbacks may be entered as overtime or as compensatory time off within applicable limits.

For the purpose of this section only, a twenty-four (24) hour period is defined as 4:00 P.M. to 4:00 P.M. the next calendar day.

The following shall be paid at one and one-half (1½) times the regular rate of pay, unless eligible for double time (2×):

- First call back, if received before 11:59 P.M. or after 6:00 A.M.
- All hours worked on their regularly scheduled shift consecutive with the call back, if the employee performed work between 4:00 A.M. and 6:00 A.M. and is required to continue to work into their regularly scheduled shift, until they have an eight (8) hour rest period.

The following shall be paid at the double time (2×) rate:

- First call back, if received between 12:00 A.M. (midnight) and 5:59 A.M.
- Second and all additional call backs during the same twenty-four (24) hour period.
- All hours worked on their regularly scheduled shift consecutive with the call back, if the employee was summoned to perform work before 4:00 A.M. and is required to continue to work into their regularly scheduled shift, until they have an eight (8) hour rest period.
- All hours worked between 12:00 A.M. (midnight) and 5:59 A.M. (including hours worked on a first call back that was received before 11:59 P.M. or after 6:00 A.M.).
- All hours worked in excess of twelve (12) consecutive hours shall be compensated at two (2) times the normal rate until the employee has an eight (8) hour rest period.

12.4 Deferred Compensation Plan

12.4.1 Employer Paid Contributions

The City shall provide ninety dollars (\$90.00) per month in deferred compensation to each employee.

Effective July 1, 2020, the City shall provide one hundred dollars (\$100.00) per month in deferred compensation to each employee.

12.4.1.1 Effective January 1, 2021, employees can elect to redirect any portion of Employer Paid Deferred Compensation Contribution (EPDCC), and place what would otherwise be contributed to deferred compensation by the City to the FBP contribution. The EPDCC may not be redirected to be paid out in cash. Employee(s) must request this option during the open enrollment period each year. For example, an employee who has qualified benefit premiums of \$1,515, may choose to redirect \$15 of the EPDCC and add to his/her \$1,500 FBP contribution for a total FBP contribution of \$1515 and the remaining amount of \$85 (\$100 - \$15) will continue to be applied to the deferred compensation plan.

12.4.2 Employee Contributions

Employees may opt to make additional contributions, up to the legal limits, on their own behalf into their deferred compensation plan.

12.5 Equipment Allowance

The City shall increase the personal equipment allowance to three hundred dollars (\$300.00) per fiscal year.

Effective July 1, 2020, the City shall increase the personal equipment allowance to three hundred and fifty dollars (\$350.00) per fiscal year.

Employees who are employed for less than the fiscal year shall have their equipment allowance prorated.

Personal equipment may include, but is not limited to, the purchase of safety shoes/boots, work-related clothing, equipment, garments, hats/caps, safety glasses, undershirts, belts, socks, shoe laces, sun glasses, boot insoles, gloves, mission/cooling towels, sun block, and bug spray.

Employees may purchase their shoes/boots through the City's vendor (currently Red Wing and Boot Barn) or from a provider of their choice.

Any costs for the purchase of personal equipment in excess of the City's maximum reimbursement amount shall be paid by the employee.

12.6 Longevity Premium

Effective July 1, 2020, the monthly longevity pay for employees shall be in accordance with the following schedule:

10 years = \$100

15 years = \$200

20 years = \$300

Notwithstanding the foregoing, employees currently receiving a higher dollar amount of longevity pay than the amounts provided for above shall continue to receive the higher dollar amount until eligible for an increase based on the schedule set forth above. Years of service will include all time employed full-time by the City.

12.7 Overtime and Compensatory Time

12.7.1 Eligibility

This plan can be used by the employee to pay for qualified benefits as determined by the IRS and as set forth below. The provisions of this plan, including but not limited to the excess contribution to deferred compensation plans, are subject to the availability of such plans and legality of such deposits. In no case will a legal prohibition be considered a breach of the City's duty under these provisions.

16.2 FBP Contributions

16.2.1 Amount of Monthly FBP Contribution

Effective July 1, 2020, the City will make an FBP contribution of one thousand, five hundred dollars (\$1,500.00) per month for each employee.

An employee whose date of hire is on the second work day (excluding designated holidays) of the month or thereafter will not be eligible for the FBP contribution for that month.

If an employee does not meet the qualifying work time in any given month, arrangements must be made with the Finance Department to reimburse the City for any benefits that have already been paid out on the employee's behalf for that month. The Finance Department will notify the employee if they have not met the qualifying work time for eligibility for the FBP contribution.

16.4 Termination

The City will not be responsible for payment of any qualified benefits on behalf of the employee following the month of termination. If an employee represented by the

Union wishes to continue their qualified benefits, advance payment for such qualified benefits will be deducted from the employee's final pay.

If an eligible employee elects not to participate in any medical plans provided by the City and can show adequate proof of approved medical plan coverage, the employee shall be eligible for a Medical Waiver Option.

Such alternative medical plan coverage must be verified initially and thereafter on an annual basis through the presentation of a valid medical insurance card, or other reasonable means of verification as approved by the Director of Administrative Services. Alternative medical plan coverage must be maintained until the City's next available open enrollment period.

16.5.1 For employees hired on or before June 30, 2016, who are on a medical waiver as of January 1, 2019:

The City shall continue to provide a dental insurance plan for employees and their eligible family members. These costs may be paid with funds available in the FBP contribution. The payment for any additional cost, which is not covered by the FBP contribution, is the sole responsibility of the employee and may be made via payroll deductions.

16.9 “Cadillac Tax”

In the event provisions of the Affordable Care Act (ACA) require the payment of a “Cadillac Tax,” during the term of this MOU, on medical insurance benefits provided by the City, upon request, the parties shall re-open negotiations on the issue. It is expressly understood by both parties that this re-opener does not obligate the unit to anything more than a good faith discussion on the issue and that no changes shall be implemented without mutual agreement. Absent such mutual agreement by both parties, the status quo (all wages, benefits, economic and non-economic terms and conditions of employment presently enjoyed by employees as negotiated upon the effective date of this MOU) shall remain in full force and effect.

16.10 FBP Contribution Re-Opener Clause

The City agrees, upon request by this bargaining unit, the parties shall re-open negotiations on the issue of the City paid FBP contribution for the effective period not earlier than July 1, 2023. It is expressly understood by both parties that this re-opener does not obligate the unit to anything more than a good faith discussion on the issue and that no changes shall be implemented without mutual agreement. Absent such mutual agreement by both parties, the status quo (all wages, benefits, economic and non-economic terms and conditions of employment presently enjoyed by employees as negotiated upon the effective date of this MOU) shall remain in full force and effect.

- 17.3.4 After ninety (90) calendar days employees who are disabled because of a work related illness or injury receive Industrial Leave pay in lieu of Total Temporary Disability payments and may supplement these payments with sick leave, vacation leave or compensatory time off they have earned. If deemed temporarily totally disabled or permanently disabled and unable to return to work, employees may apply for Long Term Disability.

Sick Leave must be exhausted before compensatory time off or Vacation Leave may be used for sick leave reasons. The parties acknowledge that the City is governed by the *Healthy Workplaces, Healthy Families Act of 2014* and that provisions

governing sick leave and its usage should be interpreted consistently where possible.

18. CERTIFICATION AND LICENSE

18.1 City Obligation of Costs

- 18.1.1 The City agrees to pay the cost of maintaining certification and licenses that are within the minimum requirements for the licensee's job.
- 18.1.2 The City agrees to pay the costs for certification and renewal, as required to maintain the certification, for which the employee is receiving Certification Incentive Pay.

18.2 Certification Incentive Pay

- 18.2.1 The City shall pay a certification incentive pay to each employee who maintains valid certification in Confined Space Entry as follows:

Effective July 1, 2019, the certification incentive pay shall be paid at a flat rate of one hundred and fifty dollars (\$150.00) per month.

Effective July 1, 2020 the certification incentive pay shall be paid at a flat rate of two hundred dollars (\$200.00) per month.
- 18.2.2 The employee shall receive the incentive pay beginning the first full pay period after submission of the documentation showing completion to their supervisor or designee. It is the employee's responsibility to ensure the certification is kept current and submit the required documents in a timely manner to continue to receive the salary increase. Employees whose certifications expire will not be paid the incentive until a copy of the renewed certificate is submitted.

19. LIFE INSURANCE

The City shall provide term life insurance for each employee which is equal to one-and-a-half (1.5X) times of their annual salary, rounded up to the nearest one thousand dollars (\$1,000), but not to exceed a maximum of two hundred thousand dollars (\$200,000). The calculation of annual salary excludes overtime, standby, callback and other forms of supplemental compensation.

20. LONG TERM DISABILITY INSURANCE

The City shall maintain in effect for the term of this agreement a long-term disability (LTD) plan covering employees set forth herein. Said plan shall provide an employee with a maximum of two-thirds (2/3) of their base salary. An employee may utilize their accrued Sick Leave, vacation, and/or compensatory time to supplement the LTD payment so as to receive one hundred percent (100%) of their base salary. The LTD plan includes the following:

- 20.1 Provides 66.67% of the employee's monthly salary;
- 20.2 Commences after a thirty (30) calendar day waiting period and provides a benefit to age 65;
- 20.3 For the first thirty (30) days of non-job related illness or injury, the employee will use accrued Sick Leave, compensatory time or Vacation Leave;
- 20.4 The employee will be allowed to use accrued Sick Leave in conjunction with the LTD plan to provide for a full pay check;
- 20.5 At no time will an employee receive more than one hundred percent (100%) of their base pay;
- 20.6 The premium will be added to the employee's gross pay and deducted from the net pay so as to make the benefits exempt from further taxation.

21. RETIREMENT

21.1 California Public Employees' Retirement System

The City provides employees with retirement benefits through the California Public Employees' Retirement System (CalPERS).

Definitions and terms in this Section are intended to comply and be in conformity with the California Public Employees' Pension Reform Act of 2013 (PEPRA) and/or California Government Code §7522.04.

21.1.1 Definition of a "Classic" Member

Any employee hired by the City on or prior to December 31, 2012; or any employee previously employed by a CalPERS participating public agency, hired by that agency prior to January 1, 2013, and who becomes employed by the City with less than a six (6) month break in service, or any employee who is eligible for reciprocity with another California public retirement system.

21.1.2 Definition of a “New” Member

Any employee hired by the City or any other CalPERS participating public agency, on or after January 1, 2013; or any employee previously employed by a CalPERS participating public agency who becomes employed by the City after a break in service of greater than six (6) months; or any employee who is ineligible for reciprocity with another California public retirement system.

Retirement formulas and calculations are based upon a combination of the employee’s age, years of service, and annual pensionable compensation. Plans for both “classic” and “new” members use a three (3) year highest average, with calculations as set forth and administered by CalPERS.

21.1.3 Retirement Formula for “Classic” Members

The City contracts with CalPERS for a “2% @ 55 full formula” plan. There is no cap on annual salary that can be used to calculate final compensation.

21.1.4 Retirement Formula for “New” Members

PEPRA mandates a “2% @ 62” plan. There is a pensionable compensation cap on annual salary used to calculate final compensation.

The rate of contributions by both the City and each individual employee is based upon applicable law and MOU provisions.

21.1.5 Contributions for “Classic” Members

21.1.5.1 For employees hired on or before June 30, 2016:

Each employee shall continue to pay seven percent (7%) of the “employer” contribution. Unless required by law, or mutual agreement by the parties, each employee shall not pay more than seven percent (7%) in total contributions.

The City shall continue to pay one hundred percent (100%) of the “employee” member contribution, known as an Employer Paid Member Contribution (EPMC), and the remaining portion of the “employer” contribution and costs.

21.1.5.2 For employees hired on or after July 1, 2016:

Each employee shall participate in equal sharing of normal cost with the City. Each employee will pay up to fifty percent (50%) of the total normal cost of their pension benefit, as determined by CalPERS each year, but not to exceed an eight percent (8%) contribution rate for miscellaneous plan members.

21.1.6 Contributions for “New” Members

Due to PEPRA, all employees must participate in equal sharing of normal cost with the City. Both the City and the employee will pay fifty percent (50%) of the normal costs, as determined by CalPERS each year.

21.1.7 Optional Benefits

21.1.7.1 The optional benefit of *Two Year Additional Service Credit* shall be discretionary with Council in accordance with Government Code §20903.

21.1.7.2 The City’s contract with the CalPERS includes the optional benefit of *Employer-paid Member Contribution in Base Pay During the Final Compensation Period*.

21.1.7.3 The City’s contract with CalPERS includes the optional benefit of *Service Credit for Unused Sick Leave*.

21.1.7.4 CalPERS Service Credit for Military Service:

The CalPERS Military Service Credit Purchase Assistance Plan described below shall be made available to full time regular employees who have completed their initial probation period with the City.

The City’s contract with CalPERS includes the provisions of §21024, *Military Service Credit as Public Service*. Accordingly, eligible employees with qualifying military service can contact CalPERS and arrange to be billed for the service credit. The City shall reimburse the employee for twenty five percent (25%) of the amount of the bill. Eligibility for the twenty five percent (25%) reimbursement is limited to employees who were on the payroll on July 1, 1995.

If desired, the employee may apply for a loan from the City for the remaining seventy five percent (75%). The employee shall apply for the loan on a City provided loan application. If the employee qualifies, the City will fund the loan on an interest free basis. Loan payments must be by payroll deduction. Each loan payment period shall not exceed six (6) years. The City may require collateral.

Any remaining loan balance must be paid in full at the time of separation of employment. Payment will be made directly and/or by deduction from the last paycheck. In the event an outstanding balance remains, the employee is responsible for making payment arrangements. The failure to make full payment will obligate the employee to pay the City's attorney's fees in any restitution process.

21.1.7.5 The City shall maintain the increased level of the *1959 Survivor Benefit*.

21.1.7.6 The City's contract with CalPERS provides the minimum *Annual Cost-of-Living Allowance* (Government Code §21335) of two percent (2%).

21.2 Public Agency Retirement System (PARS)

Effective July 1, 2006 the retirement formula will be adjusted to reflect an additional one half percent (0.5%) to the current formula of two percent (2.0%) per year of service at 55 years of age. This enhancement will provide for a retirement formula of two and a half percent (2.5%) per year of service for anyone retiring at 55 years of age or older. All prior years of service will count toward the computation. Employees will contribute four percent (4.0%) toward the cost of this program with the City contributing an additional one percent (1.0%). This additional benefit will be provided through the Public Agency Retirement System (PARS).

21.2.1 State law has eliminated this benefit provided by PARS for new employees hired on or after January 1, 2013, and limited this benefit for existing City of Azusa employees hired prior to January 1, 2013, who become SEIU represented employees.

21.3 Retiree Health Benefits

21.3.1 City Paid Medical Plans

For employees hired on or prior to June 30, 2019:

Beginning with the first month after retirement, for employees who had at least twenty (20) years of service with the City of Azusa, and who enroll or continue in the City's health insurance program, the City will reimburse monthly to the employee the amount of one-half (50%) of the premiums for such health insurance, regardless of how many family members are enrolled.

In the event the employee is single or widowed, and has no dependents, the City's contribution shall be equal to one hundred percent (100%) of such premium.

In the event the employee passes away and is survived by an eligible spouse, the benefit shall continue. But, if the employee passes away and has no surviving spouse the benefit shall not carryover to the surviving dependents.

This plan shall remain in effect until the retiree, or eligible spouse passes away, whichever occurs later, at which time the benefit shall terminate. Once an individual has qualified for this provision, they shall retain this eligibility.

The minimum employer contribution (MEC) that the City pays directly to CalPERS shall be considered to be part of the portion paid by the City.

21.3.2 Health Reimbursement Arrangement Accounts

For employees hired on or after July 1, 2019:

Effective July 1, 2019, upon hire the City shall establish a Health Reimbursement Arrangement (HRA) account on behalf of each individual employee for the reimbursement of medical premiums and IRS approved medical expenses during retirement. The HRA shall be selected by the City.

21.3.2.1 Initial Contribution

The City shall deposit an initial contribution of two thousand dollars (\$2,000.00) into the employee's HRA within the first month of hire.

21.3.2.2 Annual Contributions

The City shall make additional contributions to each employee’s HRA in the second pay period in July of each year, based on the following schedule of continuous years of service:

Years of Service	Amount of Annual Deposit
One (1)* - five (5)	One thousand dollars (\$1,000)
Six (6) - ten (10)	Two thousand dollars (\$2,000)
Eleven (11) or more	Three thousand dollars (\$3,000)

*The first year’s contribution shall be prorated in accordance with the anniversary date of the employee’s date of hire.

The City shall continue to make the annual deposits, according to this schedule, on behalf of each employee until the employee’s death, separation from service, or retirement, whichever occurs first.

21.3.2.3 Vesting Requirements

Each employee is required to complete five (5) consecutive years of service to be one hundred percent (100%) vested in their HRA.

An employee who is not vested at the time of separation from service or retirement shall forfeit their unvested funds.

Once vested, an employee shall maintain their rights to all funds in their HRA, except in the event of the death of an employee prior to separation from service or retirement, any funds in the HRA shall be forfeited.

21.3.2.4 Enrollment in City Health Plan

In the event an employee retires from City service and enrolls or continues in the City’s health insurance program through CalPERS, the City shall pay any required MEC directly to CalPERS.

No funds shall be deducted from an employee’s HRA to pay the City’s MEC to CalPERS.

22. TUITION REIMBURSEMENT

22.1 Objective

The tuition reimbursement program is designed to encourage employees to continue their self-development by enrolling in approved classroom courses which will:

- 22.1.1 Educate them in new concepts and methods in their occupational field and prepare them to meet the changing demands of their job.
- 22.1.2 Help prepare them for advancement to positions of greater responsibility in the City of Azusa.

22.2 Eligibility

- 22.2.1 All regularly appointed employees are eligible to receive tuition reimbursement. Courses must commence after appointment and be in excess of the educational standards for the position. An example of this would be job-related college or university courses when the specification for the classification calls for high school graduation.
- 22.2.2 Courses must be (except where noted below in Sections 22.3.3 and 22.3.4) traditional classroom courses taken at colleges or universities and approved by the Western Association of Schools and Colleges. Distance learning classes offered by such colleges and universities shall be covered by this provision. Credits given for non-classroom assignments such as life experience, military training, and professional training are not reimbursable.
- 22.2.3 Course work must be related to the employee's current occupation or to a City classification to which the employee may reasonably expect promotion within the next five (5) years.

22.3 Courses may be eligible if they:

- 22.3.1 Are above the educational requirements of the position as noted in the position specification and are not taken to acquire skills, knowledge and abilities which the employee was deemed to have when appointed the position.
- 22.3.2 Do not duplicate training which the employee has already had or which is to be provided in-house.

- 22.3.3 Do not duplicate previously taken courses unless special approval has been granted by the department head and the Human Resources Division.
- 22.3.4 Are required for the completion of the pre-approved job-related major. An example would be general education or elective requirements for the major as stated in the school catalog. Remedial courses or those taken as required for a non-approved major shall not be eligible.
- 22.3.5 Include completed engineering review courses taken at accredited institutions for which an academic grade or units of academic credit are not given. These courses must prepare candidates for a certificate, license or registration issued by the California Board of Registration for Professional Engineers. The employee must receive the certificate or license from this Board to be eligible for reimbursement, which will be granted for a maximum of two (2) courses per certificate, license or registration.
- 22.3.6 Lead to a City-approved certificate, license or registration. Reimbursement may be made for any examination fees required to successfully obtain the certificate, license or registration. Reimbursement for eligible expenses will be made after obtaining the license, certificate or registration.
- 22.3.7 Are not taken on City time and must be certified that they are taken on the employee's off-duty time.
- 22.3.8 Have been approved by the Department Head and the City Manager or their designee before commencement of the class.

22.4 Reimbursement

- 22.4.1 The City shall reimburse employees for tuition, registration fees and texts required for the eligible courses. Expenses for parking, travel, meals, processing fees, transcript fees, materials and any other costs are not reimbursable.
- 22.4.2 Employees shall be reimbursed up to the dollar amount charged for the same number of units per term by California State University system.

- 22.4.3 In order to be reviewed, each application must state exactly which units or credits the employee is applying for and whether the courses submitted are core courses or recommended electives for the approved major.
- 22.4.4 Reimbursement shall be made upon completion of the course with a minimum final grade of “C” or its equivalent (i.e., a pass in a pass/fail course will be considered equivalent to a “C”). No reimbursement shall be made for audited or incomplete courses.
- 22.4.5 Employees must submit from the attendant institution an original certification of fees paid and grade achieved in order to have his or her application considered for reimbursement. These documents must accompany the reimbursement application form in order to be processed.
- 22.4.6 Application for reimbursement must be submitted within three (3) months of the completion of the approved course in order to be considered for reimbursement.
- 22.4.7 Upon termination from employment, employees shall be required to reimburse the City for any funds received under this program for courses completed during the last twenty four (24) months of employment. This payback provision does not apply to employees laid off by the City or who separate as a result of a City/departmental reorganization.

23. FLEXIBLE STAFFING POSITIONS

The following classifications shall be incorporated into a “Flexible Staffing” pattern.

Facilities Maintenance Worker I, II, III
Street Maintenance Worker I, II, III

The first level classifications are apprentice classifications. Employees in these classifications shall be promoted (on probationary status) to the second level classifications, respectively, upon successful completion of one (1) year of service at the fifth (5th) salary step.

If the series includes a third level, the second level classifications shall be promoted (on probationary status) to the third level classifications, respectively, upon successful completion of one (1) year of service at the fifth (5th) salary step and when, in the

opinion of the Department Head, the employee has retained the practical knowledge of the performance of all facets of the duties required of the third level classification.

In the event that the employee is not promoted as described above, they shall be presented in writing the reason(s) for the denial of the promotion, and a list of the area(s) of which the employee has insufficient knowledge to achieve the promotion. Nothing in this article shall preclude management from promoting qualified employees to a higher step/classification in their flex series.

24. LABOR-MANAGEMENT COMMITTEE

The parties shall establish an ad hoc Labor-Management Committee (LMC) consisting of management representatives, employee representatives, and union representatives to discuss labor related issues as they arise. The parties understand and agree the objective of the LMC is to have a forum for the informal discussion of labor-related issues.

25. LAY OFF

The City agrees that in the event employees represented by the Union are laid off from their employment, a minimum of forty-five (45) calendar days' notice will be given to each individual affected employee. Such notice shall be in writing and signed by an appropriate management employee.

Layoffs will be made on the basis of seniority (as defined by Section 13.2.6. of the City's Civil Service Rules). Names of persons laid off shall be carried on a reemployment list for twelve (12) months. If the City restores the laid off position(s) within the twelve (12) months period, it shall first offer the position(s) to persons on the reemployment list before using any other selection method. The name of the individual re-appointed to a permanent position of the same class shall, upon reappointment, be removed from the list. An individual who declines reemployment shall be dropped from the list. This provision will sunset on December 31, 2021 and the City's Civil Service Rules will apply.
